DEFENCE FORCES (NDA)

COURSE DESCRIPTION

The Union Public Service Commission (UPSC) holds the N.D.A. & N.A. Examination twice a year. This test is required to be admitted to the National Defense Academy. Candidates must first complete a written exam to be eligible for an SSB interview and fitness test. Those who pass the SSB interview go on to be admitted to the National Defense Academy. The accepted applicants complete a three-year program in the arts or sciences that is comparable to a graduation, and upon successful completion, they receive a degree from IGNOU. Candidates are sent to the Indian Military Academy, Indian Air Force Academy, or Indian Naval Academy for pre-commission training upon completion of the three-year program (graduation). Candidates are admitted into any one of the three academies based on their merit and choice. Cadets in the Army attend IMA in Dehradun, Air Force attends AFA in Hyderabad, and Navy attends INA Ezhimala, Kerala. Candidates are appointed as officers in the Indian Army, Indian Air Force Services, and Indian Navy upon successful completion of their training.

4. Q: How important is networking for career growth?

A: Networking is crucial. Attend seminars, and workshops, and use online platforms to connect with professionals in your field of interest.

5. Q: Should I consider studying abroad for better career prospects?

A: It depends on your goals. International exposure can be beneficial, but ensure the chosen country and course align with your career plans.

6. Q: How can I make my resume stand out to employers?

A: Highlight relevant skills, internships, and achievements. Tailor your resume for each job application and keep it concise.

7. Q: Is it essential to pursue postgraduate studies for career advancement?

A: It depends on the industry. Some sectors value work experience, while others may require specialized qualifications. Research your field.

8. Q: How can I handle career-related stress and uncertainty?

A: Break down your goals, seek guidance, and focus on building skills. Embrace uncertainty as a part of the journey and stay adaptable.
