# Pure Science

## COURSE DESCRIPTION

Science that develops hypotheses and forecasts is considered pure science. Natural science, basic science, or fundamental sciences are other names for pure science. The study of natural events by observation, experimentation, and application of scientific methods is the focus of pure science.

Lab experiments are frequently conducted in pure science. Developing scientific hypotheses and expanding knowledge in a specific field of study are the primary goals of pure science. Among the main fields of study in the pure sciences are mathematics, physics, chemistry, and biology.

Curiosity about the various natural occurrences, the creation of theories and hypotheses about them, and the eventual testing and validation of those theories and hypotheses through logic and experimentation are all necessary for studying the pure sciences.

Various scientific disciplines focus on distinct facets of natural events. For instance, the study of matter's characteristics and those of its constituents in the universe as they apply to motion, force, and energy is known as physics. The reactions of matter's constituents to develop new forms of matter are the focus of chemistry. The study of life forms, including their composition, processes, development, evolution, distribution, and categorization, is known as biology.

## PURE SCIENCE ENTRANCE EXAMS AFTER 12TH

### Exams for Pure Science

- **KVPY (Kishore Vaigyanik Protsahan Yojana)**
- **JEE Main-Paper1 (Joint Entrance Examination)**
- **JEE Advanced (Joint Entrance Examination-Advanced)**
- **NEETUG (National Eligibility cum Entrance Test)**
- **\*CUET (UG) (Common University Entrance Test)**
- **BITSAT (BITS Aptitude Test)**
- **CMI-EE (CMI Entrance Exam)**

### FOR ADMISSION TO

B.Sc./Integrated M.Sc. at IISc Bangalore/IISERs

BS, Integrated BS.MS to NITs, IIITs, CFTIs, SFIs, State Engineering Colleges for Participating States

Bachelor's, Integrated Master's or Bachelor-Master Dual Degree in Sciences at IIT's & some CFTI's

BSc./ Integrated M.Sc. at IISc, IISERs & others

B.Sc./B.Sc.(Hons.) courses at Central, Public and Private Universities who have opted to take UG admissions through CUET across India

5Year Integrated M.Sc. at BITS Pilani, Goa & Hyderabad Campus

3 Year B.Sc. (Hons.) Maths & Physics Maths & Computer science at Chennai Mathematical Institute

## Exams for Pure Science

- **ISI-AT (ISI Admission Test)**
- **PU-CET (Common Entrance Test)**
- **CET-Biotech (Common Entrance Test)**
- **UG-JET (Jain Entrance Test)**
- **JMI-ET (JMI Entrance Test)**
- **SNUSAT+APT (SNU Scholastic Aptitude Test +Academic Proficiency Test)**
- **SNUSAT+APT (SNU Scholastic Aptitude Test + Academic Proficiency Test)**
- **SSSIHL-UGT (Under Graduate Test)**
- **BHU-UET181 (Undergraduate Entrance Test)**
- **AMU-ET (Aligarh Muslim Univ. Entrance Test)**

## FOR ADMISSION TO

3YearB.S.Maths & Stats Indian Statistical Institute, Calcutta and Bangalore

B.Sc. (Hons.)programs at Punjab University

B.Sc. Biotechnology program at Bharati Vidyapeeth Pune- Maharashtra

3YearB.Sc.Programs at Jain University,Bangalore

B.Sc.Pass,Biosciences/Biotechnology, Mathematics, Physics, Chemistry Program at Jamia Millia Islamia, New Delhi

3YearB.Sc.Biotechnology,Physics,Chemistry& Maths Programs at Shiv Nadar University, Greater Noida

3 Year Business Management Program at Kalinga School of Management-KIIT Bhubaneshwar

B.Sc. in Mathematics, Physics, Chemistry, Biosciences, Maths & Stats programs at SSSIHL University, Andhra Pradesh

B.Sc. Mathematics (181) & Biology (182) at Banaras Hindu University, Varanasi

B.Sc.(Hons.) Program at Aligarh Muslim University, Aligarh

# FAQS BY STUDENTS

**1. Q: How important is choosing the "right" college for my career?**

**A:** College reputation matters, but focus on courses offered faculty, and placement records. Choose a college that aligns with your career aspirations.

**2. Q: Is it better to follow a passion or opt for a high-paying job?**

**A:** Find a balance. Pursue a career that aligns with your passion but also ensures financial stability. It's crucial to enjoy what you do.

**3. Q: What are the emerging career fields in India?**

**A:** Data Science, Artificial Intelligence, Renewable Energy, and E-commerce are rapidly growing fields. Stay updated on industry trends.

Our YouTube channel <https://tinyurl.com/yr6qbmgt>  
Or send Hi on WhatsApp no. 6262624114

**4. Q: How important is networking for career growth?**

**A:** Networking is crucial. Attend seminars, and workshops, and use online platforms to connect with professionals in your field of interest.

**5. Q: Should I consider studying abroad for better career prospects?**

**A:** It depends on your goals. International exposure can be beneficial, but ensure the chosen country and course align with your career plans.

**6. Q: How can I make my resume stand out to employers?**

**A:** Highlight relevant skills, internships, and achievements. Tailor your resume for each job application and keep it concise.

**7. Q: Is it essential to pursue postgraduate studies for career advancement?**

**A:** It depends on the industry. Some sectors value work experience, while others may require specialized qualifications. Research your field.

**8. Q: How can I handle career-related stress and uncertainty?**

**A:** Break down your goals, seek guidance, and focus on building skills. Embrace uncertainty as a part of the journey and stay adaptable.
